RECYCLED

greetings

HEY BOOMERS!

What's cool, slender and segasational (who said me?). No, it's the surprise FREE Boomerang which you get to throw around this issue! *STC* also has lift-off with a high-flying new **Tails** story (Doctor Genius), plus there's the pulse-racing conclusions to the **Sonic** and **Knuckles** adventures. More info below to speed you on your way...

Sonic's under attack by the Chaotix Crew, who are being controlled by the Mind Root. Find out if he manages to get to the Root of the problem!

Knuckles, meanwhile, is still feeling the pain from a shock collar which has been placed around his neck. The culprits are four devious minds who are trying to steal the Chaos Emeralds. Is Knuckles up to his neck or will he escape? Better turn to the final part of **The Take-over** and all will be revealed.

Catch your own artwork in the **Graphic Zone**, which this issue has a mega medical theme, plus there's the return of Captain Plunder in the **Pirates Of The Mystic Cave**.

See you in two weeks for another spinning issue of your fave read when mean Metalix returns together with Grimer, and there's yet another mystery Free gift. Now that's what I call an action overload!

WRONG NUMBER HANG UP!

Back in *STC* 132, Speedlines printed a Segaworld telephone number regarding Sega character merchandising. Sounds simple doesn't it? Well, it would've been if the number hadn't been changed without STC's knowledge! Apologies to the numerous Boomers who swamped the office with letters and 'phone calls, bewildered by the confusion!

Was this a ploy by Doctor Robotnik to let *STC* know he's still out there? Rest assured that those responsible for the confusion have been cornered!

For those of you who still would like a Sonic merchandise list, please send a stamped, self addressed envelope to the following address:-

MIGHTY MINO!

Dear Megadroid,

One of my compliments is that you once let Charmee Bee have his own strip cartoon. Bravo! Will you let Mighty have one too? Also, I want to know who this Morain character is?

Helen Baker,
Normanton, West Yorks.
MD2 owner.
Enamel Badge Prize winner.

Glad you got such a buzz from Charmee, Helen (he usually gets up peoples noses!). Mighty might have his own strip if enough Boomers want it (oh, the power you lot command!).

As for Morain, she's the warrior fox from The Nameless Zone who first appeared in STC 61's 'Revenge of Trogg' story. Morain had heard that Tails was in danger by the same evil trogg who had changed her brother into a monster. Out to seek revenge, she decided to help Tails.

Watch this space - she'll be meeting up again with Tails in the not too distant future!

"I would also like to see Morain back in the universe's greatest comic!".

Edward Badham, Corsham, Wiltshire. MD2 owner. Enamel Badge Prize winner.

FOR GRIMER!

Dear Megadroid,

I would like to know where Grimer went to after Doctor Robotnik turned him into a crystal statue, as I would like to see him come back.

Gowan Donaldson,
Kirkwall, Orkney, Scotland.
MD owner.
Enamel Badge Prize winner.

Lots of Boomers want to know the whereabouts of Robotnik's sidekick, Gowan, which is why 'Whatever Happened to Grimer' is all set for the next issue of STC. Can you wait that long?

AGAINST GRIMER!

Dear STC,

Please, please get rid of Grimer for good as I'm living in dread that he'll be back soon! He's psychotic, utterly useless and should be censored! Now, I don't mean to be rude, but let's face it, he's past his sell-by date!

Alex Tomlinson,
Lancashire (full add not given).
Enamel Badge Prize winner.

You don't mean to be rude, Alex? I won't be within earshot if you decide to get personal about me! Phew! Oh, by the way, I bet you're looking forward to Grimer's return next issue!

Espio in training for the front cover confrontation!

Scott Penn, Hove, Sussex. Enamel Badge Prize winner.

Spot the difference

DONKEY KONG COUNTRY

Something really zany has happened. I have just taken a picture of the Donkey Kong apes.

On the developed photos I noticed five differences between shot A and shot B. Can you spot them?

Answer: Look at the DONKEY KONG. The ape on the right has the letter on Donkey Kong's T shirt. The letter 'O' is a different shape. The banana in Donkey Kong's hand.
